EDUCATION

RMD Sinhgad Technical Institute Campus

BE in Computer Science | CGPA : 8.06

Pune,Maharashtra

2021-2025

Nirmal Bethany Junior College

HSC | Percentage 87.33

Pune,Maharashtra

2021

Sanjeevan Public School

SSC | Percentage 86.80

Kolhapur,Maharashtra

2019

PROFILE SUMMARY

Python Developer with expertise in Data Analysis and scalable web development. Skilled in Power BI visualization and Agile methodologies, with a strong ability to collaborate on innovative software solutions.

PROFESSIONAL EXPERIENCE

Web Developer Intern Python-Django

Elite Softwares

Developed Django web apps, optimizing performance and delivering impactful solutions.Collaborated with senior developers to enhance teamwork and launch successful websites.

Pune,Maharashtra

Dec 2023 – Jan 2024

Data Visualization Intern

Infosys

Successfully completed a project-based internship at Infosys Springboard on Air Quality Index (AQI) Visualization, involving data analysis, visualization techniques, and interpretation of AQI trends.

Virtual Internship

Feb 2025 - Mar 2025

PROJECTS

Django Employee Database

Developed a Django-based Employee Management System to streamline and manage employee data within an organization, improving efficiency and data accessibility.

Blinkit Sales Analysis Power BI Dashboard

Developed a Power BI dashboard to analyze sales data for Blinkit, enhancing decision-making by providing insightful visualizations and reports.

Portfolio Website

Developed a responsive portfolio website with HTML, CSS, and JavaScript, featuring smooth navigation, interactive project sections, and seamless performance across devices.

PUBLICATIONS / RESEARCH PAPERS

Crowdfunding Using Blockchain Technology : A Decentralized Approach - [Link](#)

International Research Journal of Modernization in Engineering Technology and Science

June 2025

This paper proposes a decentralized crowdfunding model using blockchain and smart contracts to enhance transparency, trust, and automation in fundraising. By eliminating intermediaries and ensuring traceable transactions, the system offers a secure, equitable alternative to traditional crowdfunding platforms.

CERTIFICATIONS

NPTEL Introduction to Machine Learning, NPTEL Python for Data Science, Human Resource Management - HR Metrics, C/C++ Certification, Git and Github Bootcamp, TechA Data Analytics Using Power BI , Business Analyst and Project Manager Collaboration, TCS Ion Introduction to Soft Skills, TCS Ion Basics of Customer Services, Microsoft Excel and Advance Excel.
